TO : ExO/OEL
cc : AD/OEL
FROM : DAD/S&D

DATE: 24 December 1964

SUBJECT:

By tele con today, AD/OEL established with Cunningham, OSA, that a slot could be made available and should be made available. George and I concur that this is, in fact, a long term job.

Please prepare for AD's signature a memorandum to AD/OSA which spells out the slot which we understand will be charged against in the final terms of reference of his job.
